

Margherita Soc. Coop. Soc.

ENSA General Assembly

02/12/2025

Multiplier Event Mind Inclusion 3.0

- Event realised at **Social Services Department and International Relations and EU Affairs Department of Regione Veneto** with the participation of the ENSA network.
- Topic: Inclusion for **people with disabilities** - and more broadly, for all those experiencing **vulnerability or limitations (e.g. older people)** - it is necessary to reinvent workplaces, public services, communities, and the very structure of society.
- **Exchange of best practices** and round tables with several speakers and partners.

Key work areas for 2026

People with disability

Co-housing, transition to employment, virtual worlds more inclusive (e.g. AI), family-centred approach

Elderly people

Active ageing, intergenerationality, technology, long-term care, home care

Youth

Mental health, career guidance, youth policies

Welfare

Intersectional discrimination in the health and social care sector, network with enterprises for improving territorial welfare policies

Collaboration proposal

Title: BY SIDE YOUR SIDE

Programme: Erasmus + KA220-SCH - School Education

Call: 5 March 2026

Topic: Analysis, Prevention, and Early Detection of Youth Mental Health Problems in Educational environments from Rural or Disadvantaged European areas, implementing a psychological training for teachers and students.
